

FXOpen UK Application Tutorial

Attention please!

Make sure you have the following required documents uploaded to your computer before starting the FXOpen Application process:

1. Photo ID: Passport, Driver's License, National ID Card or other valid ID with a photo.
The ID must not expire within the next 3 months.
2. Proof of Address: Bank Statement, Utility Bill (Landline phone, gas, electricity, water, TV) or Tax bill. Must not be more than 3 months old.

**** Must be 2 separate documents*

STEP 1. Create your eWallet Registration

To open a live account, please use the link provided by your marketing agent.

ALL FXOPEN UK CLIENTS MUST FIRST CREATE AN E-WALLET ACCOUNT. THIS WILL ALLOW ALL CLIENTS TO SEAMLESSLY DEPOSIT AND WITHDRAWAL FUNDS TO THEIR TRADING ACCOUNT(S).

Fill in all fields, email, phone & anti-spam code, of the eWallet registration and then click the orange 'Next' Button at the bottom of the page.

eWallet registration

Register quickly and securely with your social network:

Or by filling-in form below:

Fill in your Email address, Phone number (start by choosing your country code from the dropdown); then enter the Anti-spam code. Click the Next button once done.

Email:

Phone:

Anti-spam code:

[Need Help?](#)

On the next page a password will be generated for you OR you can uncheck the box next to 'Generate Password' and type your own custom password in there. Make sure to write down your password. Then click the "Submit" button. [See image below]

eWallet registration

You can choose your own custom password by simply removing the checkmark.

Generate password

Password: Hy3tsIrgRU

Confirm password:

Back

Submit

Any questions?

Then click the Submit button.

On this next page you will see all of your registration login information for your eWallet.
Once you have recorded your registration info click the “Login” button, see image below.

You have successfully registered your eWallet.

Your login:

eWallet:

PIN Code: 

IMPORTANT - Please make a note of your PIN Code now as it will only be displayed on this page.
Your PIN Code is a security function required for withdrawals and transfers from your accounts.

Once you have recorded your eWallet login, please click on the Login button.

After clicking “login” you will receive an email with your eWallet login information. Please see the image below for an example of the full email.

Dear Trader,

Welcome to **FXOpen UK**. Your eWallet has been successfully opened and your login details are displayed below.

Your eWallet Information:

E-mail: [REDACTED]

eWallet: [REDACTED]

For security reason we do not send the **PIN Code** for your eWallet by e-mail. It was displayed on the final page of the account opening form. Please save the PIN code in a secure place as it is required for transfers and withdrawals.

Now login to your [eWallet](#) and complete the following 3 steps to begin trading.

1 [Verify The Account](#)

2 [Create a Trading Account](#)

3 [Deposit Funds](#)

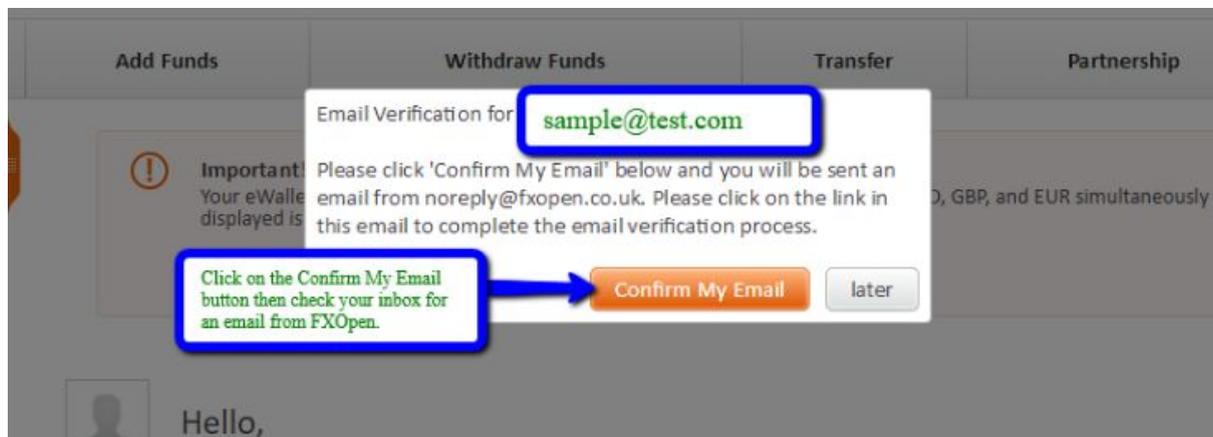

If you have any questions or need assistance please do not hesitate to contact the customer support team who will happily help you set up your account and get you trading in no time at all.

Kind Regards,
The FXOpen UK Team

We wish you every success with your trading using **FXOpen UK state-of-the-art technology**

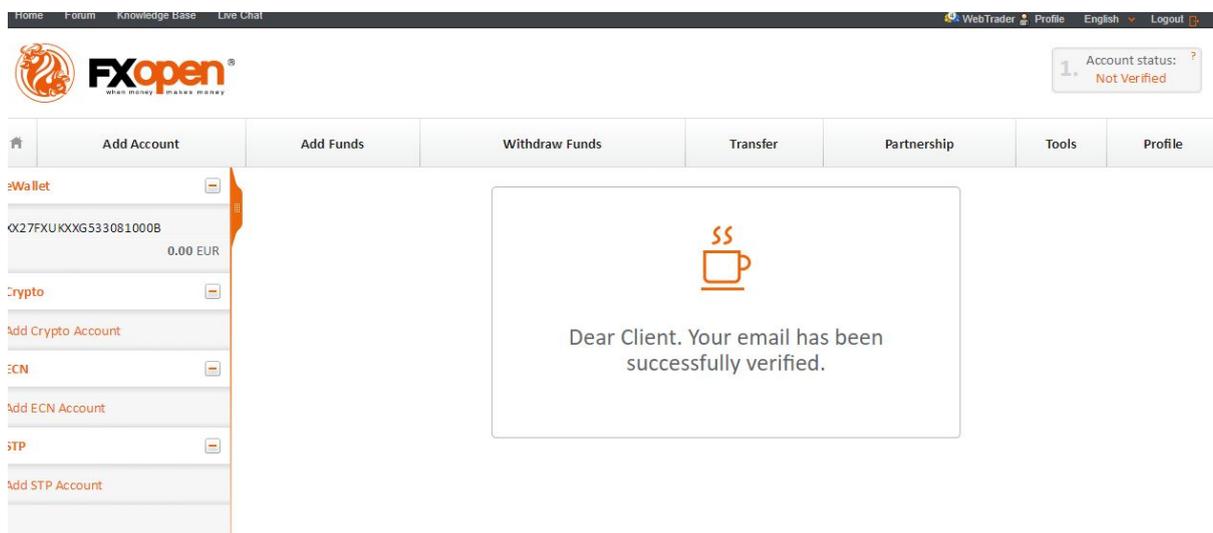

After reviewing your email please go back to you browser where your FXOpen UK portal should be open. The next box to appear on your screen, will ask you to confirm your email. Please click on the orange “Confirm My Email” button, see image below.

Now check your inbox as you will be sent an email with the following subject line: “FXOpen UK – Email Verification”. Please click on the link in the email you receive to finish confirming your email address, see image below.

After clicking the link in your email you will then be taken to the FXOpen portal screen. See image below:

Your eWallet is now set up and your email has been verified!

STEP 2. Verify The Account

Now that your eWallet and email address has been verified, you are going to start the process to open a new live trading account.

Let's go back to the email you received which will have the subject: FXOpen UK – eWallet Open. Click on the link labeled "Verify The Account". You will then be taken to this page seen below, click on the "next" button. See image below:

Client Verification Form

Important!

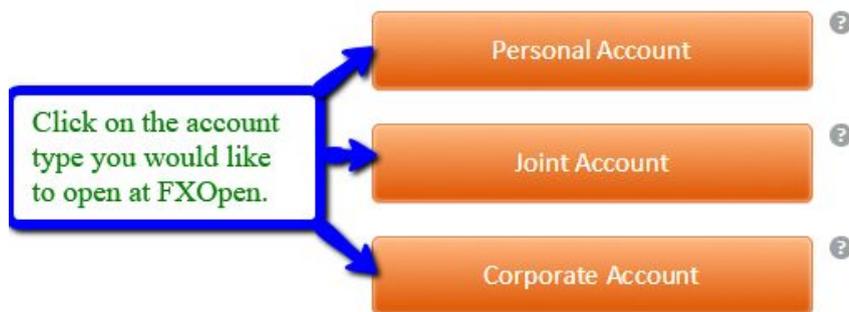

FXOpen UK is regulated by the FCA and we require all the following information to ensure the services FXOpen UK offers you are suitable. If you do not fill in all the information correctly, this may delay the verification of your account or mean we can not offer you an account at all.

The information you provide is for FXOpen UK only, we do not share any information with any third party.

On the next page, choose the type of live account you would like to open at FXOpen UK by clicking on one of the orange buttons; Personal, Joint or Corporate. See image below. A personal account is for an individual; a joint account is between 2 individuals; a corporate account is for a company or legal entity.

Select Account Type

After you click on the account type you will be taken to the following page where it asks about your trading experience. Make sure to fill in all questions and sections as the form will not let you go forward unless complete. See image below:

Trading Experience

Please make sure to fill in all sections and then click on the orange Next button at the bottom.

Next

After completing your financial information the next step would be to upload a photo ID and a proof of residence, such as a utility bill and a passport. Please make sure that both of these have the same name and address listed on your application. This is the only way your account will be approved for trading. You will need to upload one document at a time.

Important!
To verify your account please upload scans or digital photos of **2 separate documents**, 1 from each of the lists below. Please note that even if a document, such as a National ID card, has both proof of address and photo ID on it, we still require **2 separate documents**.

Photo ID – Passport, Driving License, National ID Card or other valid ID with a photo. The ID must not expire within the next 3 months.

Proof of Address – Bank Statement, Utility Bill (Land Line Phone, Gas, Electricity, Water, TV), Tax Bill. We can not accept Mobile/Cell Phone Bills. Proof of Address must not be more than 3 months old.

To change account type click [here](#)

Personal Information

Title: Country of Residence:

First Name:

Surname:

Nationality:

Date of Birth (MM/DD/YYYY):

Phone:

Skype ID:

City:

Address:

Zip/Post Code:

Please fill in your personal information above then you will need to upload 2 separate documents from your computer. Click on the dropdowns and select the type of document you would like to upload. Then click on the Select Files button and choose the document you would like to upload from your computer.

Upload Documents

Maximum file size: 20 Mb.

Proof of Address:

ID:

Once the documents have been uploaded please click on the Submit button.

To verify your account please upload scans or digital photos of 2 separate documents, 1 from each of the lists below. Please note that even if a document, such as a National ID card, has both proof of address and photo ID on it, we still require 2 separate documents.

Photo ID – Passport, Driving License, National ID Card or other valid ID with a photo. The ID must not expire within the next 3 months.

Proof of Address – Bank Statement, Utility Bill (Land Line Phone, Gas, Electricity, Water, TV), Tax Bill. We can not accept Mobile/Cell Phone Bills. Proof of Address must not be more than 3 months old.

Once the documents are received by FXOpen UK we will process them within 1 business day. You will receive a confirmation email once the verification process has been complete and then you will then be able to deposit funds and start trading.

STEP 3. Open A Live Account At FXOpen

Let's go back to the email you received which will have the subject line: "FXOpen UK – eWallet Open". Click on the link that says "Create a Trading Account". This link will bring you to the following section in your FXOpen portal. See image below:

Before you open a Live ECN account, please read and accept the following documents.

Live ECN Account (Step 1 of 3)

- [Terms and Conditions](#)
- [Disclaimer and Risk Warning](#)
- [Complaints Policy](#)
- [Remuneration Policy](#)
- [Pillar III Disclosures Policy](#)

Looking for Adobe Reader? [Download it for free.](#)

After opening your live ECN trading account you can make a deposit and start trading immediately if your account has been verified. If it has not been verified go to the **Profile** menu **Verify Account** to complete the process.
